WHY LIVE UNITED?

ACCOUNTABILITY

Partner programs are measured annually for effectiveness and held to the highest standards

COMMUNITY DRIVEN

United Way identifies critical community concerns and works to address those with our partner agencies

KEEP IT LOCAL

Your donation supports programs that provide services to help those in Montgomery, Houston, and Stewart Counties

MAXIMUM IMPACT

Your donation is combined with that of others for maximum impact

LEADERSHIP GIVING

Leadership donors are United Way of the greater Clarksville Region's most generous supporters and our community's strongest advocates. We invite you to help guide our community into change through these Leadership Giving Opportunities:

Red River Chapter

Donors contributing $500 to $999 earn this distinction and are recognized annually for their gift.

Cumberland Society

United Way's first leadership society (established in 1986) for donors contributing $1000 to $9,999 annually.

Alexis de Tocqueville

Donors contributing $10,000 or more annually receive national recognition of their philanthropy.

Giving Options and Criteria

Leadership gifts must be designated to United Way of the greater Clarksville Region and/or one of our partner agencies.

Donors may use payroll deduction or scheduled payments to fulfill the pledge obligation.

The giving of spouses may be combined to qualify for membership.

Donors may request their membership and giving be kept confidential.

GIVE. ADVOCATE. VOLUNTEER.

ANYONE CAN MAKE A DIFFERENCE

YOUR HELP MAKES A POWERFUL IMPACT

United Way
United Way of the Greater Clarksville Region

OUR FOCUS

HEALTH

reducing hunger, encouraging healthy behaviors, boosting independence, caring for victims of violence

EDUCATION

supporting early learning, providing mentors for youth, developing student leaders, increasing adult literacy

FINANCIAL STABILITY

advocating for fair housing, teaching financial literacy, addressing the concerns of the working poor

MISSION & VISION

United Way mobilizes partners in Montgomery, Houston and Stewart counties to create positive change. United Way develops community partnerships, raises funds, and directs resources and grants to more than 30 local nonprofits and programs to identify and respond to our community's critical needs.

We offer innovative ways for students to learn, and we connect volunteers to opportunities that match their passions. We support the local 211 crisis hotline and programs that offer food and shelter for families in need.

We care for the education, health, and financial stability of all people. Together, we build a brighter future and a stronger community.

GIVE

Your donation empowers our agency partners to meet the needs of individuals. There are multiple ways to give: participate in your workplace campaign, make an individual donation or corporate gift, and/or offer in-kind support.

ADVOCATE

Through round table discussions with community leaders and local government, we assess the needs of our community. United Way identifies the most critical community issues, finds solutions, and advocates for change.

VOLUNTEER

It takes both time and money to make a true impact. Use your passion to serve our community. The Volunteer United website connects individuals with opportunities to volunteer in the local area.
Visit **uwgcr.galaxydigital.com** to sign up.

LEAD UNITED

Lead United is a student leadership council focusing on community needs and service in the Clarksville area. Student service ambassadors address these needs by implementing service projects in our community. Students are selected from among applications received from all high schools in Montgomery County.

READ UNITED

In partnership with Clarksville-Montgomery County Schools, United Way strengthens student literacy through Read United, a virtual volunteer program.

For 30 minutes, once a week, students enhance their reading and communication skills as they connect with a volunteer via video conferencing to read together.
