

UNITED WE FIGHT. UNITED WE WIN.

LIVE UNITED®

United Way fights for the health, education and financial stability of every person in our community.

We win by living United. By forging unlikely partnerships. By finding new solutions to old problems. By mobilizing the best resources. And by inspiring individuals to join the fight against our most daunting social crises.

We are more than fundraisers. We are Hand-raisers. Problem solvers. Together, we strengthen communities from the inside up. Here are just a few of the victories United Way and its partners have achieved in the last year:

.....

- 27,215 people were provided resources to secure basic living needs and provide independently for themselves and their families.

- 1 in 5 seniors in Tennessee is hungry. Meals on Wheels delivered 17,000 hot meals to senior citizens, improving their health and independence.

- A U.S. military veteran commits suicide every 65 minutes. At S.A.F.E., 325 local veterans and their families received free counseling to better manage the impact of military service.

- In partnership with the City of Clarksville, United Way volunteers constructed a **Born Learning Trail** that helps parents and caregivers create interactive outdoor learning opportunities with preschool-aged children to improve school readiness.

- Joining hands with local agencies and churches, United Way and its workplace partners such as LG Electronics and Hankook Tire provided much needed financial and volunteer support to assist local **tornado victims** in their recovery.

- Through the Crisis 2-1-1 Call Center, 9,963 individuals received crisis support and intervention.

.....

With your support, United Way is fighting the fight and scoring big wins.

78,000

lives were improved because United Way game-changers like you raised their hands to help.
